Northeast Texas Coalition Tennis Association
Attn: Edward Keyser

Dear Edward,

Congratulations! USTA Texas has completed its review process of the CTA Comprehensive Grant applications, and I am pleased to inform you that the Northeast Texas Coalition Tennis Association has been awarded \$5,000 to support the CTA's continued efforts to promote and grow the great sport of tennis in your community.

Attached you will find a memorandum of understanding that outlines the grant deliverables set for your organization. Some of these terms may have been derived from the application that you submitted. They will be evaluated at the end of the year and will be considered when the Northeast Texas Coalition Tennis Association applies for future USTA Texas funding.

If you agree to all of the conditions set forth in the memorandum of understanding, please sign where indicated, and return it to [Katy Rogers](#) by March 25, along with a completed W-9.

We look forward to supporting you through this process. If there is anything else that USTA Texas can do to better serve you, your CTA, and your community, please feel free to reach out to us!

Sincerely,

Katy Rogers
