The Dunlop Scholarship, established in 1992, is sponsored jointly by Dunlop and the Palmetto Championships. The Palmetto Championships began in Belton, S.C. in 1957 and has been played here each year since. The tournament is for junior girls and boys in South Carolina and served as the state's national qualifying tournament for many years. The Palmetto is now a USTA Level 5 tournament closed only to players who live in South Carolina. Dunlop has worked with the Palmetto Championships since the early 1980s in an effort to improve the tournament and junior tennis in the state. This scholarship is a further effort by Dunlop to provide more opportunities to our players. The scholarship recognizes an incoming college female or male who has participated in junior tennis in South Carolina. Selection of the winner is based upon (In order of importance):

- Academic achievement
- Extra-curricular activities, leadership and honors
- Sportsmanship and character
- Tennis accomplishments
- Essay

The amount of the scholarship is \$2,000 and is for the freshman year only. Payment will be made directly to the college or university in the name of the recipient. Scholarship applications must be emailed and received by the tournament's entry deadline. Please note, the student who receives the Dunlop Scholarship will not be eligible to receive a South Carolina Tennis Patrons Foundation Scholarship awarded later in the year.
