

## Overview

Thank You for signing up for the 10th Annual Flurry Fest Doubles Tournament on Saturday (February 10)!

- Please carefully read the first 2 pages for rules/guidelines, pages 3-4 to find your division, and your appropriate division page for your playing times.
- We are using two different facilities. All of your matches will be played at the same facility.
  - Elite Division will be @ Mandan Tennis Center (MTC) - 520 16th St NE - Mandan
  - All other divisions will be @ Capital Racquet and Fitness Center (CRFC) - 3200 N 10th St - Bismarck
- We strongly encourage checking in and being ready to play at least 10-15 minutes before match time. If there is an available court, we will get you started early and keep the tournament flowing.
- Format is best 2 out of 3 sets to 4 games (First to 4 games wins the set and you must win by 2 games)
  - No-ad scoring (The first deuce is gamepoint and receiving team picks the side)
  - Standard 7 point tiebreak will be played at 4 games all to decide the set.
  - A 10 point super tiebreak will be played in lieu of a third set.
  - Regular (No Coman) tiebreaks will be used to determine the set (7 point) and match (10 point) tiebreaks.
- Warmup may NOT exceed 10 minutes. Please try to shorten the warmup for subsequent matches.
- Breaks on changeovers should NOT exceed 90 seconds. Breaks between sets should NOT exceed 2 minutes.
- Match scoring formats may be altered at the discretion of the tournament officials to ensure all matches are completed within the time limit.

## Guidelines

- High standards of conduct, fair play, and good sportsmanship are expected.
- Please be courteous to those playing matches on other courts.
  - If your ball goes on or behind another court, please wait to retrieve it until they are done with their point.
- Players are responsible for their own line calls and scoring. Please be clear in your 'out' calls.
  - Try to work out scoring disputes on the court first before asking for help from tournament officials.
  - A ball that is 99% out is still considered in. (You must be 100% sure to call a ball out).
- It is recommended to announce the score clearly and loudly when serving to avoid any scoring discrepancies.
- Divisions and seeding are based on a combination of rankings, ratings, past tournament performance, matchups, and team preference.
- If you are waiting for your match to start, we encourage you to watch the other matches. The CRFC viewing area can be accessed via a flight of stairs that is located just past court 1 behind the curtain.
  - Family and friends are also encouraged to come watch.

Good Luck & Have Fun! Please contact the Tournament Director with any questions, or if you need anything.
