 - 1. For teams that advance directly to the State Championship or play their local league at the State Championships, USTA Tennessee requires that at least 3 players of the team be residents of the local area from which that team is advancing.

V. Local League Play

*Official Ball, a standard Type 2 USTA approved ball shall be used. All matches are played without officials, the USTA official publication, The Code, shall be observed. Point Penalty Suspension System in effect for 2023.

- A. Both team lineups are to be exchanged at the scheduled match time, or before, if captains agree and are ready to play.
- B. A player may participate in only one individual match within a team match.
- C. No substitution may be made in an individual match after the line up has been exchanged, except for injury to, illness of, or disqualification of a player prior to the start of an individual match. Once the lineup has been exchanged, a team may substitute a player in the affected position within the 15-minute default time, using a player not already listed on the lineup. The substitute player is entitled to a five-minute warm-up. If no such substitution can be made, the affected position only will be defaulted in local leagues.
- D. USTA Tennessee Mixed league matches will be the best of three sets and the set tiebreak shall be used at 6-all in each set. In lieu of a third set, a match tiebreak shall be played. There will be a two-minute set break at the end of each set with no coaching. All tiebreaks shall follow the Coman tiebreak procedure.
- E. In the event of a tie in league standings, the tie will be broken by the first of the procedures listed below.
 - 1. Individual Matches. Winner of the most individual matches in the entire competition.
 - 2. Head-to-head. Winner of head-to-head match.
 - 3. Sets. Loser of the fewest number of sets.
 - 4. Games. Loser of the fewest number of games
 - 5. Game Winning Percentage: Total games won divided by total games played.
 - 6. **If two teams are still tied for 1st place, a playoff match will be held between the tied teams prior to the end of the league play deadline.**
- F. Captains are responsible for entering and/or confirming match scores on Tennis Link. Captains need to verify and confirm the recorded match scores. All recorded scores will be final 48 hours from match time. If a mistake is made when entering scores and you have clicked out of the scorecard on TennisLink, you will have to email the LLC with the match number and correction. Only the LLC can make a change to the scorecard. Any disputes must be made on TennisLink and the LLC must be notified by email before the 48 hours is up.
 - 1. If scores are not entered into Tennislink within 48 hours, both captains may be subject to a local grievance and sanctions imposed by the Local Grievance Committee.

TENNESSEE

- G. Forfeits: If a team plays a local match without a full lineup, forfeits must be taken at #3 doubles.
1. Two out of the three courts must be played to constitute a legal match.
 2. If a team shows up without the minimum # of players required for the team match based on the number of players present, or to be present, it will be a full team default in favor of the opponents. Please refer to National regulation 2.01C(5) on team default procedures.
 3. If a match must be forfeited, the name(s) of the forfeiting player(s) are not written on the scorecard. Only the names of the player(s) receiving the default. The written score shall be 6-0,6-0; as if the match had been played.
 4. If a captain knows ahead of time that he/she will forfeit an entire team match, he/she must notify the LLC Coordinator and the opposing team captain. If a team forfeits an entire team match and that forfeit affects the outcome of the local league, then all matches played by the forfeiting team will be removed from the standings. If the forfeiting team has no effect on the outcome of the local league, matches played by that team will stand and that team may be eligible to advance.
- H. If a match begins and a player has to retire due to injury or illness, the match score to the point of default will be recorded on the scorecard (i.e.; 6-2, 2-1, 15-15, retired).
- I. If play is interrupted by weather, darkness or other factors beyond the control of players, completed individual matches will stand as played. In the event that rain or inclement weather forces the cancellation and/or re-scheduling of a local league team match, the line-up would stand only for those positions that had already started (first service attempt) their match. All other positions, even those that were in warm-up may be changed including defaulted courts.
- J. For each team match, a majority of individual matches must actually be played to constitute a valid team match. In a situation where the majority of individual matches would be not played (not a "valid" team match) the first course of action would be for both captains to agree on what individual matches, based on the number of players present, or to be present, can be played to constitute a valid team match. Once that is determined, both captains will re-exchange scorecards.
- K. If both teams have enough players to play the match and it's discovered after-the-fact that a majority of the matches were not played to constitute a valid team match, both captains need to come to an agreement of what lines will be played to make the team match valid. If captains cannot come to an agreement, then the individual match(es) to be played will be assigned in sequential order in the above-mentioned regulation. If a captain does not comply with this regulation, then it may be considered a full team default in favor of the opponents. If a team shows up without the minimum # of players required for the team match based on the number of players present, or to be present, it will be a full team default in favor of the opponents. Please refer to national regulation 2.01C(5) on team default procedures.

IMPORTANT NOTES FOR KNOXVILLE LOCAL LEAGUE PLAY

1. Matches may be rescheduled for **ONLY** the following conditions:

*Rain

*Extreme Heat...temperature above 93 degrees Fahrenheit
as listed on www.weather.com

2. Procedure to reschedule for one of the above-mentioned reasons:

*If both captains agree to move indoors then the court fee will be split by the teams.

*To reschedule a match outdoors, a new date should be agreed on and the match should be played within 2 WEEKS of the original date. The new date becomes the official match date/time and cannot be altered.

*If a match is interrupted or delayed by rain or unplayable court conditions, the teams must wait at least 30 minutes to determine if play can resume. **IT IS IMPORTANT THAT THE FACILITY WHERE YOUR MATCH IS SCHEDULED AGREES FOR YOU TO WAIT AND WILL NOT CAUSE A SCHEDULING ISSUE AT THE FACILITY.** So please check with them first to be sure waiting for courts to dry is not going to cause an issue.

*If match play had begun and the match was interrupted due to inclement weather, all points, games and sets played will stand; make-up procedures would begin at the point match was stopped. The players on court should make note of the score, server, receiver and all other matters concerning the match.

*Contact the LLC for help in rescheduling a match if you cannot agree on terms within time allowed.

***PLAY MAY BE NECESSARY DURING A USTA LEAGUE CHAMPIONSHIP. IF THERE ARE FOUR (4) OR MORE PLAYERS ON A LOCAL MIXED TEAM WHO ARE ATTENDING THESE CHAMPIONSHIPS OF EITHER ONE LEVEL OR GENDER, THE TEAM IS ELIGIBLE FOR RESCHEDULING OF ANY MATCHES DURING THE CHAMPIONSHIPS.** The captain should email the opposing captain and the LLC at least 7 days prior to the originally scheduled match date. Please note all matches must be rescheduled prior to the first day of the Championships. All matches **MUST** be completed by local deadlines...**NO EXCEPTIONS!!**

*If a match is rescheduled due to anything but inclement weather or a USTA CHAMPIONSHIP, then 2 courts for a valid match **MUST BE PLAYED** on the scheduled date. The remaining court may be rescheduled within the 14-day make-up window, only if the opposing captain agrees. If a team reschedules 2 or more matches for any other reason and does not play the minimum required courts, a suspension may occur for the next USTA MIXED league season.

****Prior approval from LLC is required to make up a match after a two-week grace period.** On the 15th day, if the match has not been completed or arrangements made with LLC, a double team default may be issued or the LLC will pick a new date/time without consulting with any of the teams for fairness.

*Matches will be played at either Tyson Tennis Center or West Hills Tennis Center. The primary location will be Tyson Tennis Center.
