Seconded by Doug Stevens. Motion passed.

III We discussed the Winter Indoor Tennis Program.

Doug Dexheimers program with the younger kids has enough students to function.

Doug Steven's program with the older kids (Middle School and High School) has reached an enrollment of 9 students. (It was previously decided we needed 12 students to function.) After some discussion, Kyle Doerges moved we lower our rental time of the Young Center from from 1.5 hrs. per session to 1 hr. He also suggested we lower student's tuition from \$95.00 to \$75.00. John Roberts seconded the motion. The motion passed. Now we are closer to breaking even financially.

IV Tonight President Dexheimer will attend a Spearfish City Council Meeting, where a tennis needs assessment will be done. We discussed some of the items that should be on the list.

V Our Winter Indoor Tennis Program begins this weekend.

VI The next meeting will be 2/11/13 (Mon.), 6:30, at the Rec Center.
