Creating a USTA account

- Go to USTA.com and click the "**JOIN**" button in the upper righthand corner.

- On the next screen click on the link for Parents.

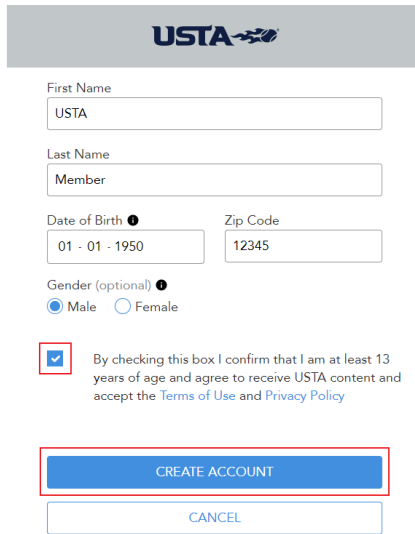

- Click "**Sign up**" at the bottom of the screen.

- **Input login information that you would like to use for your USTA account.** This is the same information you will use to sign in to the account once created.
- **Enter an email address and password**
- Click "**Sign up**"

Complete Your Account Details

Personal Information

- **Complete all fields with your personal details.** If you are a parent of a child who is 13 years old or younger, please enter your details, not your child's.
- Once all fields have been completed, click "**CREATE ACCOUNT**"

- You have now successfully created a USTA Account and a unique USTA number has been assigned to you. Additionally, an email confirming your account creation and USTA number has been sent to the email address provided during account creation.

Add Additional Account Information
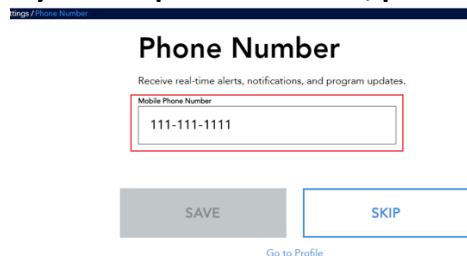

After selecting **CREATE ACCOUNT**, you will be brought to the account page, which will allow you to provide additional optional information about yourself. This additional information can improve your USTA experience. The additional account information options are detailed below.

Now that you have created your account, you can add your child.
Access the Family Tab.

- Click on the User Icon on the top right-hand corner.

- Select Family from the drop-down menu.

- From the family tab, click Add A Child.

- Complete all of the required fields with information for your child and then click "**Submit**".

Help us keep tennis for everyone

As the National Governing Body of tennis, our mission is to promote a "fun and learning" environment for the growth of the sport and all its participants. USTA believes that tennis is for everyone and the more diverse our sport is, the better off we would be.

To help us more fully understand the make-up of our sport, please share with us which of the following best represents your racial or ethnic heritage?

* Ethnicity

| Other | ▾ |

Wheelchair Player (optional) ❶

◯ Yes   ◯ No

* To continue it is necessary to agree to the following:

☑ By adding this child I confirm that I am the parent or legal guardian of this child and agree to the USTA Terms of Use and Privacy Policy

SUBMIT

- • Once completed, the child's information will be listed within the Family tab.
